

Constant, Continuous Favor

Ep. 5: Favor of Opportunity - Recognizing Your Moment

Crafted Prayer

Thank you Father that I am fully alive to you.

I love my new nature in Christ.

I accept Your vision and perception of me.

The truth of my new nature sets me free to enjoy my relationship with You and explore the possibilities of Your favor.

Thank you that You enlighten the eyes of my heart to recognize Your favor, explore Your goodness and discover Your kindness to me in Jesus.

As I see through Your eyes, I will recognize Your opportunities of Favor and receive Your Empowering Grace to respond to them with joy and expectation.

In Jesus name, Amen.
