

# EMBRACING *THE* BEAUTY *OF* GOD

GRAHAM COOKE

EPISODE 1:

## *The Beauty of Simplicity*

This coming week is a time of preparation until we release the first of these devotional prophetic words.

It is our joyful intent to push you into a place with God that you've not experienced before... an opportunity for you to step into the beauty of who God is for you in a new way.

These words will travel with you for the next few years, so that you can establish, upgrade and live life renewed on a constant, continuous basis.

So, this would be a good time to think about thoughts, anticipations or responses that you no longer want to travel forward with.

*What do you want to leave behind?*

Make a list of the things you want to lose the most.

As you listen to these words, listen for what God is giving you for those parts of your life *instead*.

It's so important to hear HIS voice as you're growing and learning... and to interact with the Holy Spirit, who is a genius at making this word, YOUR word with Him.

The starting point for each word will always be the same: Listen to the words again and again. No notes for a while. Allow yourself to be washed and renewed in the Truth.

- Listen for the delight and passion of His voice.
- Let His joy, confidence and peace to wash away any accumulated negativity.
- Use the imagination that God gave you and be creative.

It's going to be a beautiful time in Jesus and we look forward to all you will discover in Him.

He knows the good plans He has for this time of renewal and devotion.

Let your expectation for His goodness rise,
