

THE PLACE OF ABIDING

GRAHAM COOKE

EPISODE 9:

Expect to Abide: A Prophetic Word

Beloved,

I am bringing you to a new level of expectation of who I am in you and for you in the place of abiding.

My presence is a gift to you. So abiding is also something that I am creating in you for myself. Presence is where you encounter My beauty in our relationship. Abiding is where you stay in that place through upgraded fellowship.

It's My joy to lock away every fear, insecurity and sense of striving. You are unlimited now. Open your heart to new possibilities in your fellowship with me.

You were made to have fresh new encounters of My presence. So it's important to Me that you know by experience, how to be fully accepted, welcomed, and vital in My presence.

Just as I was with Jesus, I promise to be with you. Because you are in Him and He lives in you, which is exactly how We always imagined it. We want you to wake up every morning with great expectation of living and moving and having your being in us.

Beloved, it is impossible for you to lose Me when I am the one that has hold of you, always. As you stay with me, your awareness of My presence increases day by day.

Trust is empowered by My love for you. You will experience the joy and peace in believing, and your faith will rise to the level of My intention for you.

I'm always with you.

This guarantees your renewal and refreshing every day. There are no barriers between you and I. You have an expectation of Me that will increase constantly. You're living in a place set aside for you in Jesus, and We love this place.

The Holy Spirit empowers your abiding, so that your expectation and focus cannot be denied. You can anticipate new mercies and fresh beauty every day. Our presence is for your daily life circumstances.

Christ in you is hosting Our presence. So expect Us in your life at all times.

We absolutely love being with you. We are thrilled to be the One who is granting favor, blessing and power. We are always upgrading your sensitivity and awareness of who We are for you.

My ways are becoming your ways. The wisdom you need is a part of your abiding process. It's built into Our relationship together.

Always remember the One who knows you best, loves you best.

Beloved, in the world of your life experiences, whether good, bad or ugly, they're all about you standing in Our stillness. In this place of calm reflection, you will experience presence.

We cover your mistakes and We celebrate your learning. You are the loved one. All stress, all striving and fear has been eliminated by the love in which We hold you. We persist with you so that you may remain in us. We are your strong tower that blocks the enemy at every turn.

Our presence defines your life, nothing else. All your low spaces become the place of fullness and abundance. Why? Because abiding is the chief place of resident freedom.

I want you to know that We have thought of everything. All things come to you in the place of abiding. So abiding is a joyful expansion. A dwelling place that provides all that you need. My heart is your habitat.

Beloved, We anticipate you with joy. Our kind intention is to captivate your heart. Your willingness to receive readily is the partner in Our purpose.

Awe and wonder is very important to me. Not for myself, but for you. It signifies that you are committed to fullness now in Jesus.

Beloved, every morning, wake up expecting something wonderful, because My name is Wonderful. And in the place of abiding, you can live your life full of wonder, renewed by how I can make all things beautiful in My time.

There is a beauty and majesty that you have yet to see. And I am delighted to show you. Let an expectation rise in your heart for new experiences of My goodness. My kindness and My joy in you, becomes the consistent foundation for the abundance that I am planning.

Every good expectation of Us is a key that will lock up your old ways of thinking and seeing and unlock the perspectives and mindsets of the new creation that you are in Christ now.

The Holy Spirit will empower you, help you and teach you to stay, dwell and remain in the place of abiding. Expect His help. Rejoice that it is so freely given. Enjoy learning to love what We love. Rejoice in Us as We rejoice in you.

Abiding is the life flow of the kingdom in you. Becoming alive to Me creates an awareness of your own identity and destiny that is forming.

Expect Us to be magnificent on your behalf, so that each day your life situations cause you to flow in fellowship with Us.

Amen. So be it.

PRAYER

Father, thank you for all that you have planned.

For all that you purpose for all that you desire for all that you delight to do, in our hearts and our minds in our lives, in the places where we live, and the things that we are encountering day by day. May our encounter have you be stronger than anything in the world, the flesh and the devil.

And I ask that for Jesus sake because He is longing for us to abide in Him. That's His dream. So may it become our dream also, Father.

Amen.
