GRAHAM COOKE

EPISODE 6: Prophetic Word Transcript

Listen with your inner man first, and soak in God's fullness of joy. Later, you can take notes in order to establish joy and gladness in your life.

Beloved, I am your fullness of joy. My presence is your joy, My passion for you is your joy. I will make you to know the path of life in Me, for it is the way of highest joy. You will discover all My pleasures as you stay on this path. I am the God of exceeding joy. Regardless of events, sorrows, and disappointments, My joy is an ever-present part of who I am.

I Am is your exceeding joy also, regardless of your life issues I allocate joy to you, even in humiliation. A double portion of joy is the smallest expression of My gladness that can overcome the enemy. Fullness of joy takes you into a place the enemy cannot reach you.

This is why I command you, in the most joyful language, to consider it all as joy when trials come. Hold on to joy, and the trial will become something else. It will diminish in size as joy builds up in you. Joy is favor for a lifetime. Shout for joy each new day so that trust is present and causes faith to rise. Holding on to joy is one of your most important contributions to your circumstances.

Beloved, whenever We speak to you, joy is always one of Our main objectives. We speak so that Our joy may rise up in you, and that you will be filled with joy and gladness. We desire that your joy should make you complete in your alignment with Us in every life issue. It's a completeness that closes the door on negativity, and opens the door to trust and faith and confident expectation. I am that door, and I set Myself before you as the door that no man can close and only I can open. Joy will accomplish things that fearful intercession may never receive.

Joy is an all-inclusive passion that is full of gladness in Me. I will teach you to draw the water of life from your inherent salvation, using the joy and gladness of My revelation to you. Remember, every time I speak to you, joy is present in My heart, and in My words.

Beloved, joy is something that no one can take away from you. When your heart knows how to rejoice in Me, you are living in the secret place. My joy is an ever-present reality. In sorrow and grief, My joy is a refuge for you, so that comfort may sustain you. In My refuge, your gladness will compel you to receive from the Kingdom what the world could never give in that moment.

Joy is the antidote for dismay. It's the "miracle cure" for sadness, weariness, and insecurity. It is impossible to feel inferior when gladness is present. I will cause you to obtain joy and gladness. As you turned to Me in difficult moments, your simple trust in joy will cause sorrow and sighing to flee away from you. The joint path of joy and peace in believing will empower you to walk in a new and living way.

I will comfort you in all your low places where you feel you have wasted your life. Your heart shall be is Mine. I will comfort you. I will bring rest, quietness and joy in the places of distress. I will beautify your life with joy and gladness. I will stand with you and My joy shall be a source of strength to you. Joy makes your experience of Me to become even more beautiful.

I want you to have very glad feelings. I adore rejoicing in gladness of heart, and I'm committed to making your heart being the same as Mine. I love to stand with you and smile at you in the place where everything needs to happen. I stand with you in the place of sanctification, blessing you, giving you grace and the gift of righteousness. I put joy and gladness into dry areas of your heart. Beloved, ask in My name, and the Father will give you joy as His response to Me living in you.

He and I are one in you. All that is Mine is yours. Ask and receive so that your joy may be full. My everlasting joy belongs to you, in My Son. The Holy Spirit, as your comforter, will empower the removal of sadness, distress, worry, fear and shame so that joy will fill up all that available space. Every negative is replaced with joy, so that there is no room for the evil one.

Ask Me for joy like this: *"Father, I make room for you. I give you my distress. Make me to know joy and gladness in the name of Jesus. Amen."*

I like that. You're in My kingdom, and I'm in your world. I come to you. I speak My words into the world of your circumstances so that Heaven will come to earth in the joy of My presence. It's a joy that I make full in yourself. Never, ever, discount joy as a power in your life.

Beloved, the Holy Spirit is given to you for your empowering and growth. The Spirit is filled with joy, and teaches you all things with the warmth and the laughter of Heaven. Indeed, the kingdom of Heaven on earth is in righteousness, peace, and joy in the Holy Spirit. The Spirit is the God of expectation, demonstrating favor in the fullness of joy.

We enjoy everything about you. We enjoy being with you in all situations. We enjoy stepping into places that are troubling you and turning it around. We love to create an atmosphere and an environment of joy in all your circumstances. Even in tribulation, it is the joy of the Spirit to empower you to receive the word in joyfulness, so that you will imitate Me at all times.

Beloved, do not ever underestimate the length and breadth, nor the height and the depth of My love, My peace, My joy, My patience, My kindness, My goodness, My faithfulness and gentleness that is constantly available to you. Nor discount My self-control that empowers you to remain close to Me at all times.

I am your newness and fullness of life in the midst of every life situation. I am the mighty one for whom nothing is hard. I will rejoice over you with gladness. I will comfort you with My love. I will rejoice over you with singing.

Everlasting joy will be on your head so that every thought you have can be rooted in gladness. No longer will your own thoughts oppress you. Your mind will cease to be the playground of the world, the flesh and the evil one. This is My promise to you, beloved: as you lean into Me in simple, childlike trust, I will keep you occupied with My gladness of heart. You will no longer fix your attention on the problems of life. Your preoccupation shall be on Me, in Me, and with Me, and my favor, and your expectation of Me shall be empowered through the joy of My spirit within you.
