Beloved, real learning is always slow because I do everything in peace and rest. Peace is the lifestyle of being present to the moment in Me. The reason I Am is always with you is because We're always at rest; calm, unhurried and unworried about you. Peace is Our way to bring calm and settle you down, to walk with Us in Spirit and Truth.

In the world, there is always pressure. In the kingdom, there is always peace. The antidote to anguish, stress, and pressure is accepting the availability of peace. I am your peace. Peace cannot be understood in human logic. It can only be received. Peace is a person. It's Me, living in you and revealing My presence through My nature. Peace is a gift of My nature living in you. My peace I give you is your invitation to cease from struggle, to no longer be troubled, to receive the presence of peace.

Beloved, it is peace that guards your heart and mind. Peace is the chaperone for your emotions. No need, then, to have negative feelings.
