

THE PLACE OF INCREASE

GRAHAM COOKE

EPISODE 3:

The Majesty of Joy

From the series: Embracing the Beauty of God

CELEBRATE:

As you listen and read through this word, consider these questions.

- *Who has God been to you that has made your heart (and His heart) glad?*
- *What new levels of peace and satisfaction in you is He delighted about?*
- *On a daily basis, what makes you happy in God?*
- *What makes Him happy about you?*

DISCOVER YOUR INCREASE

Now consider your previous experience of joy using the questions from Episode 1 in this series:

- What good things do you see in yourself that you heard in this word?
- What has challenged your joy (and points to your next upgrade)?
- Who is God promising to be for you in this word for that upgrade to occur?

EXPLORE YOUR NEW TERRITORY

Consider praying this simple Crafted Prayer from this episode every day:

*“Father, I make room for joy.
I give You my distress.*

*Make me to know joy and gladness.
In the name of Jesus. Amen.”*

Be sure to keep your responses as part of your *Celebration Journal of Joy* as you continue to pause, reflect and remember your previous increases... and anticipate your expansion in Joy!

Make this prophetic word part of your daily devotional rhythm with God over the next few weeks and allow the Truth of Joy to set you free in NEW ways!
