# THE PLACE OF INCREASE

GRAHAM COOKE

EPISODE 8

## *Unstuck from Earth to See Heaven*

From “Discovering Encounters: An Invitation to Become Unstuck” series

*“Christ is always in us...we are always in Christ...therefore...we are always in the presence of God....What we disconnect from is an **awareness** of His presence, not His actual presence.” - Graham Cooke*

### CELEBRATE:

How have you become more aware of God's presence during your Brilliant TV experience, especially in the area of joy?

- + Describe a real-life example of that:
  
  
  
  
  
  
  
  
  
  
- + What was your old way of seeing, thinking and feeling that was upgraded?
  
  
  
  
  
  
  
  
  
  
- + What was the Truth that you experienced instead?

- + Take a moment to celebrate that increase with the Father, Jesus and Holy Spirit, because They most certainly were celebrating it with you!

### **EXPLORE YOUR INCREASE**

- + Did you hold on to that increase or is this an opportunity to realign with God's reality? Is it time to step up into a new level of confidence? Is it time to expand a previous gain?
  
- + What are the old perceptions you want to leave behind?
  
- + What is the new practice of His presence that you want to step into instead?

### **EXPLORE YOUR INCREASE**

- + If you don't have one yet, make a list of the "One-Anothers" that you want to practice this week.

- + How have your perceptions, mindsets, emotions, language and actions changed from when you first began? Celebrate those the way God is celebrating them!
  
- + Where have you increased? Take time to discover your *Place of Increase*.

Then examine that with an expectation of approval:

- + Have you cleared that ground of the old and maintained it... or has some of it grown back?
  
- + Listen to Episode 1 in this series again. Rejoice that it's much easier to maintain previously cultivated territory than it is to begin with fallow ground.

And when you're ready, come with a good expectation of God to show you your next area of increase and who He plans to be for you in it!

You're too brilliant to settle for anything less than His fullness.

With ever-increasing joy,

- *Graham*
