

**AUGUST CHALLENGE**

## ***Breaking the Mold***

### *DAY 3: Prophetic Word*

#### **INTRODUCTION:**

Please put your pens down.

There is no need to type anything out! A transcript will be made available and you will have this recording also. This is your moment to sit, relax and open your heart to the Lord. Listen to the Voice, let it touch your heart and renew your mind. This is a moment to soak in God's presence, and receive His all-encompassing love. It is important for you to receive His love, affection and delight in you. This is the washing of water in the Word that cleanses, heals and renews!

## *Prophetic Word*

Beloved, one of Our greatest pleasures is giving you gifts.

Nothing that originates in Us can ever be earned.

I challenge you, Beloved, to look up the word GIFT in My word.

There are so many gifts that We have set aside for you to enjoy.

Choose the gift you most need from Me now and I will give it to you.

If religion has left you feeling shamed and condemned, instead of shame, I will give you a double portion of blessing.

Instead of feeling humiliated and condemned, I will cause you to shout for joy.

Negatives and negativity only exist in the world. They have no place in the Kingdom.

Negatives exist in the hearts of people who have not fully received the gift of grace.

Poor teaching does not allow My people to live in the place of grace so that My righteousness can flourish in your spirit.

## *Notes*

Legalism in My body commands your performance so that you may earn My favor.

Legalistic rules say, "If you do good, God will do good to you!"

The Kingdom does not work like that!

We give you goodness so that Our goodness will flow into your life and out through your heart.

Our primary purpose is to make you in Our image, according to Our likeness.

That was the first thing We ever spoke about Our people.

First Love is the love between Father, Son and Holy Spirit.

It is the beating heart of Heaven. The essence of Oneness and communion that has existed before time and creation.

Beloved, who We are for one another in Our oneness is also who We will be for you—forever!

When I put Christ into you, I put you into First Love with all of Us and each of Us.

When I put you into Christ on the Cross, this is what happened:

I put your old man, your sinful nature with all its corruption, and with all the negativity of the world, your flesh and the devil.

I put it all onto Jesus on the Cross.

He bore everything so that you would not have to struggle and fail.

In Christ, you have a new beginning. Nothing of the old made it through the Cross.

Our first gift in your newness of Life was to kill the old you as part of the sacrifice of His life.

You start clean, new, and fresh every day of your life.

We breathe life into you. We create newness of life everyday.

Our gift is freedom every single day.

New every morning, Beloved. Our loving kindness, Our compassion and Our faithfulness to you is new and fresh each new morning.

We ask, Beloved, that you simply live one day at a time with Us.

That you have become new each day and build on each blessing that We give you.

Add today's truth and the blessing We bestowed to the following day

and your breakthrough, and delight in Us will never falter.

We do request of you, that at the end of each day, you hand over any pressure, stress and difficulty to your personal Comforter, the Holy Spirit.

Also, that you give to Us any negative thoughts, emotions, and attitudes to your Redeemer, who is the Christ, your indwelling Savior.

You cannot accumulate sin, negativity or distress from day to day.

When you allow that to build, you are erecting a fence between Us.

We broke down every partition wall between Us at the Cross.

It simply does not exist in Our heart towards you!

Jesus agreed to be punished in your place...so when others punish you they are taking away your freedom to be loved fully each day.

We give you that freedom, fresh, every single day.

We plan your long term future by giving you personal scripture, prophecy, dreams and visions so that you know:

- Who We want you to become in Us,
- The role We want you to have in the Kingdom,
- And the gifts that are available to you everyday in your life with Us.

This is why We practice Three + Me with you everyday.

We plus you! Everyday, fresh and new—always.

We are with you always. Literally, every day. FRESH!

We never leave you! We will not forsake you! We will not fail you!

Because We do not see you as a failure.

We know that people have taken the truth of the Kingdom and conformed it to the practices of the world.

That is why you are not used to being free!

A lie from a religious spirit has bound you into a spiritual culture that does not reflect the love We have for you.

We make all things new everyday.

Come to Me as a much-loved child and We will make you into a new man and woman who bear Our likeness and Our image.

Therefore, We declare to you a time of renewal in First Love.

It shall be as your first day in the Kingdom.

We will make all things new in you, over time.

You must have a constant stream of gifts that will empower you.

Ask Us for the fruits of the Spirit, which are designed to become Our nature in you.

In this way, your heart will be filled and your emotions will become Our passions.

We are so passionate towards you in Our love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.

Ask for grace daily so that Our empowering presence will lift you up.

We will give you mercy when you need it. We will make you holy so that you can enjoy Our righteousness in a beautiful way!

Our hearts are full of delight and passion towards you.

You are Our body on earth  
representing Our true nature.

Everyday, We make you like Us.  
New every morning is Our  
faithfulness to you.

We are constantly upgrading Our  
life in you.

We are elevating you in Our  
presence SO THAT you are  
empowered to receive every gift  
that is yours already in Christ.

Ask everyday for your mind to be  
renewed by the Spirit SO THAT the  
mind of Christ will form in you.

Beloved, the world is not the  
Kingdom. And the Kingdom will  
never become the world.

Because the Kingdom can never  
be overcome by something  
smaller. You are in the world but  
not of it. You belong to where We  
live, in a higher place.

We will set your mind on things  
above, not on things below.

Your new man lens, thinking and  
old language is designed to  
generously oppose the world and  
its culture.

No need to be angry, when  
goodness and kindness are far

superior to a world that wants conflict.

We deal with the world from the truth of who We are in Ourselves as portrayed by utmost love and the fruit of the Spirit.

The way We deal with people in holiness is beautiful to Us.

We long for the practice of truth to be beautiful to you also.

Beloved, We set you free always. Everyday!

So that, Our goodness and kindness in you, will cause your detractors to turn around and follow Me.

It is important that you live in Our declarations for you, that you constantly confess Our declarations over you.

That is the truth that will set you free.

Do not hang onto the old you. It is dead.

Your new man is Jesus in you. He is Our focus in you, everyday.

We will teach you to live delighted in Us.

We delight in you. We are for you.  
You are in Us as much as We are in  
you!

A church that is not patterned on  
Kingdom values and principles  
cannot empower you to live by Our  
presence.

The Cross has set you free from the  
old man. The Cross is Our answer  
to the problem of the world and  
the flesh.

When My Son died, so did you. He  
died for you and He died as you.

When He was buried, He took your  
old man with Him.

When He was raised from the  
dead, He left your old nature  
behind.

The old man can never be  
resurrected. It is gone, finished  
forever.

Your new man is Christ in you,  
giving you His nature.

You do not have a sin nature, you  
simply have a sin habit.

This is an attachment to a way of  
life taught by the world, the flesh  
and a religion that seeks to portray  
Me but can never produce My  
fullness of life in you.

Only Christ within can reproduce  
Our life in you.

Only the Holy Spirit can make you  
holy.

Partner with My real nature, not  
what religion has ascribed to Me.  
There are many great churches  
who partner with the Redeemer to  
change your old habit into Our  
true nature.

You old man is dead. Consider it to  
be dead and walk with Me in  
newness of life.

You new man has all the things  
required to walk with God. It is  
inbuilt in Jesus.

You are learning the new life of  
exchange.

Accepting newness as a gift and  
learning the pleasure of making all  
things new in My beloved Son.

This is called the process of  
sanctification.

This is where We stand with you in  
your lowest place of experience.  
This is where We empower you to  
become as We are in Spirit and  
Truth.

It is where We delight in teaching  
and empowering your new man to  
rise up and occupy your true  
experience of Christ in you!

This is the very heart of a constant encounter with Three + Me.

There are always four of Us living in you. Your Creator, your Redeemer, your Helper and you...the Beloved.

The four of Us together become the Body of Christ: the Bride of Christ in the earth.

It is Our honor to love Christ in you. We choose to stand with you in the place of growth and transformation.

Every day We step into the old and make it new.

We broke the mold of struggle so We could give you rest and peace.

We break the mold of sin by being your righteousness. It is Our gift to you, the Beloved.

Conflict is always about growth. It is where We challenge your old thinking so that We can give you the mind of Christ.

We are always replacing the old with the new man.

We are not working on the old you. We are exchanging it's habits with new life that works in you.

There is no struggle in a simple exchange of life.

Christ in you, is your life. The Redeemer redeems you everyday!

When you are stuck in an old lifestyle issue, your Helper, the generous Holy Spirit, will empower you to walk in the Spirit of Truth.

We love your life in Us. We are delighted to replace the old with the new.

There is no shame in learning this new life. There is no blame attached to you as you learn the ways of God.

There is no condemnation. We have faith in Our ability to make you like Us!

We love being patient with your process of change.

We love being engaged with all aspects of your life.

Three + Me is Our passion for you living in Us!

We will teach you the joy and peace in believing.

It is Our love for you that provides you with every gift that you need to become as We are in you!

We declare that your life is now open to receive every good and

perfect gift that comes to you from the Father of Lights.

Beloved, I am not in a rush. It is Our patience and love that will cause you to abandon striving.

You cannot perform to earn any of Our gifts.

They are freely given so you can freely receive because you are free to become like Me.

The performance comes after the gift, because the gift of life and truth empowers your growth.

Learn the fruit of the Spirit. Listen to the many voices of love that comes from Our delight, passion and deep affection.

Beloved, as your Father, I will talk to you in the same way I talk to Jesus.

Why do you think We went to these great lengths to redeem you by putting you into Christ and Christ into you?

He is the Beloved in you and you are learning to be the Beloved in Him.

You are a new creation in Him. All the old has passed away already.

We are delighted to show you a new and living way to remain in fellowship with Us.

I AM! ...is loving that I get to teach you about the power and presence of Jesus in you!

It is exciting for Me to live in you. Our excitement becomes your amazement.

Think of it! No sin nature, just a sin habit, which is not hard to break and rebuild.

A habit is just a behavior pattern:

- a way of thinking that is unhelpful,
- a way of living in the world that can be redeemed by the Kingdom in you,
- a way of walking in the Light so that Our life in all its fullness can overwhelm your heart and mind with Our pleasure in you!

This is Our promise to you: We will stand with you in your lowest place so that We can redeem you in the fullest way possible.

Beloved, this challenge is the breaking of the mold of all that is preventing you from becoming like Us.

You learn best when Our joy is in you and filling up the empty places.

So that is where We start new life in you. We speak these words to you so that Our joy may be in you and that your joy may be full!

You have Our blessing to live from how We see you in Jesus, who is your lifelong Redeemer.

We give you the Comforter and the Helper...the powerful Spirit of Truth to support your learning and growth.

I Am your Creator, making all things new, everyday.

Join Us in this new and living way. All things are possible and nothing is ever too hard for Us.

Amen!
