The Art of Awareness: Tuning Into Your Real Life

DAY 3: Prophetic Word: "Being Alive to God's Expectancy"

INTRODUCTION:

When a person is double-minded, they are constantly at war within themselves.

That can mean we are resisting the God who is for us because our flesh has the upper hand. Whenever we are prone to negative perception, thinking and language, we develop a learned helplessness, which makes us victims who have no sense of our true identity.

When God speaks to us it is always to create assurance, trust and an expectation that pulls on God's favor towards us! In this prophetic word, we are going to look at the vital impact that expectation creates between God and ourselves.

No need to write anything down. A transcript will be made available so that you can read and study the promises and, therefore, position yourself before God and draw from His favor and goodness.

Ready? Here we go!

Prophetic Word

Beloved, promises are the currency of Heaven, which must be spent in every area of your life.

Internally, promises are bestowed upon you in order that you may see, think, speak and act as We would in you.

My Son lives in you, in order to make you in Our image, and according to Our likeness!

So, the full truth here is that prophecy is both spoken to you in Christ and also to Christ in you!

Yes, I am speaking to My Son in you... and I am speaking to you as My Beloved in Him.

Prophecy creates a unique partnership between the Bridegroom and the Bride.

The Bridegroom watches over the word in order to see that it comes to pass.

The Bride watches the Bridegroom so that her response is empowered by His expectancy.

In this Way, the Truth of My Word becomes the Life of confident agreement in a shared intention.

In the Kingdom, We call this Oneness. A unity of heart and mind, expressed in One voice.

Notes

This is called being of One accord. We are empowering the Bride to stay attuned to the heart of her Beloved.

A shared love creates an intimate expectation because both are conformed to My heart and purpose.

There is an integrated harmonization that is based on agreement. Being in tune together creates the sound of agreed trust. This releases prayers of acknowledgment that are designed to increase faith and favor.

Beloved, everything is done in order to facilitate purpose.

When you are attuned to Our hearts, the assurance of Our integrity becomes the confidence of your viewpoint.

You see yourself in Us. You know that We are with you. Jesus with you has an assured anticipation of Our agreed intention.

This is great vision, allied to a fixed mindset, that produces trusting language, which empowers you to share together in this created opportunity.

Many of My people have been associated with Me for a long time.

Alas, they have not been taught to have a trusting heart or develop a mindset that partners with My intent.

They have been taught the ways of religion and not the lifestyle of the Kingdom.

My people have impoverished lives because they live from the flesh rather than My Spirit.

Christ in you, supported by the Holy Spirit, means that your resources are in place.

I never stop giving to you. My gifts are without repentance, in Him; in you!

That means, if you do not receive My blessings and favor...I do not remove them from you. You have unclaimed upgrades in your life, Beloved.

They remain, suspended over you, waiting for your inner agreement with My Beloved Son. This is why We want you to set your mind on things above...in Our intention for you.

These resources await your expectancy in Him. It is expectation that empowers the probability of faith.

Everything begins with Christ in you!

Every good thing given and every perfect gift comes down to My Son in you.

I am the Unchanging One, which means My relationship towards you is based on who I am, not who you are not.

My gifts given to My Son in you, are as present as the reality of His presence in you.

A person can receive nothing unless it is a gift from Heaven.

Placing Jesus in you is My gift to you.
Depositing the Holy Spirit in you is My gift to you.

The grace to walk in acknowledgment and agreement is Our gift to you.

The righteousness required to embrace this new life as you learn to walk in unbroken fellowship, is also Our daily gift to you.

Beloved, do you understand the power of Oneness with Us? Do you see the purpose of acknowledging who you are in Jesus?

Jesus is your Redeemer in all circumstances. Our promises to Him are the same as Our promises to you.

Newness begins anew in Jesus every day.

Newness does not become new only when you walk in it effectively.

Newness is new all the time. When you are learning and failing, it is newness of spirit that gets you back on your feet.

Newness creates expectancy. There is no condemnation to those who are in Christ.

The law of the Spirit of life in Christ will always renew your true freedom in My Son.

Becoming attuned to your Oneness and unity in Christ and the Spirit, creates the privilege for a life lived above any life issues.

When you walk with Us, you must live the same life that We live. This is what being made in Our image actually produces. The same union.

There is just the One life. No duality here. Christ in you and you in Christ.

Acknowledgment. Alignment. Agreement. You have the same privileges as the Redeemer who lives in you.

You have the same grace, love, power, and capacity in all things.

You have what We possess. We hold nothing back.

“In Christ” creates the same expectations that He enjoyed in His earthly body.

You can receive under pressure. When you are weak, you are made strong by your expectation of joy.

We start with you at your weakest point...a born again child. From that point, Sonship is the constant elevation of life in My Son.

To the point where His image is fully working in your life.

We give you an expectation of rest so that you do not live weary or burdened.

There is always the pleasure of Our Oneness with you creating a yoke of partnership that elevates your expectation to the same level as Ours.

Nothing is too hard for Us, which means that you are never a problem for Us!

When you consider yourself to be dead to self and alive only to Us...freedom becomes your new normal.

The one who is dead now joins with the One who is alive from the dead.

Beloved, a dead person does not struggle. They do not strive. They have no daily grind.

Life is not a hassle. You need not to be preoccupied with the old you!

Consider it dead. Be alive to Me as My Son is alive in you.

We joyfully turn your old into someone new! We take your flesh and exchange it for fresh!

To be alive to Me simply means to become occupied with My freedom in you.

You are not in your old nature trying to move towards a new relationship with Me.

Instead, you are the new man moving in Sonship and using your current life circumstances to practice faith and favor.

Everything is about establishing your real identity in Jesus.

The freedom to be alive in Me is therefore all about Our presence in you.

Three+Me is your lifestyle in the Kingdom.
You live your life in the same way We live
Ours.

In Christ, you have Our DNA.

Expectation is trust by agreement.

Being of One accord is part of your DNA. It
is not something you fight to receive.

Jesus shed His blood to make you of the
same bloodline. As He is, so are you in this
world.

Life is in the blood. Your DNA is set, fixed! It
is an essential part of the new, true you in
Christ.

You share all that We are as Our gift to you!

All Our love, joy, peace and rest belong to
you by an act of My will.

Your performance can never earn this life.
It is a gift of Our presence in you.

Everyday, We put Our expectancy to work
simply by practicing the joy and peace in
believing in you!

You can never be separated from Our love,
because the key to life is One accord.

Agree with Us and be at peace. You are
made alive together with Jesus.

We will not leave you nor forsake you in
this life.

Religion teaches you a negative truth. That you can die to self by your own efforts.

Being alive to Us means that it is Our life that makes you sensitive to truth, so that you joyfully stay free!

The Law of the Spirit of Life that is in Christ keeps you free from any negative because it binds you together with us in fullness of joy.

We love Our fellowship with you. We love Our life in you.

We have one life, one heart, one mind, one voice because We have One accord.

Beloved, do not move away from the way, truth and life that is in Christ Jesus.

We are confident that He who began a good work in you will perfect it until the day of Christ.

Remember Beloved, promises are Our currency in your walk with Us.

We will resource you as We resourced Him. Prophecy spoken to you is the same as prophecy spoken to Him in you.

The same strength, and the same power, will create the same expectation in you!

Amen!
