

REGENERATE JANUARY 2021

## *Crafted Prayer from “In Christ, We Are Bound To The Nature Of God”*

Father,

It is absolutely true that I am in You in the same way as Jesus.

There is no doubt that I am an essential part of The Oneness and unity of the Father, Son, and Holy Spirit.

I am Your beloved because You love me the same as You love Your Beloved Son.

There is no shame or condemnation for any mistake I make as I am learning to grow up in all things in Christ.

The Three are fully alive in me and I thank You that I will constantly encounter Their presence until I am fully living in Their life as my normal experience.

Thank you that every day begins with newness of life.

I am so happy that You never carry over a deficit from one day to another.

All things are new for me and as I am growing up in Your love...my heart and my mind will become One with Your presence.

I relax and rest in Your delight, in Jesus, in me.

Fill me with Your Holy Spirit now, at this time, so that I may revel in Your beautiful presence.

In Jesus name... Amen.
