

REGENERATE JANUARY 2021

Prophetic Word from “In Christ, We Are Bound To The Nature Of God”

Listen to this word constantly.

This is who you are becoming. Life is so much easier when you live from your identity. Know what God wants to be for you now!

Remember, the important thing is to listen with your heart to the voice and the tone of God’s heart towards you!

Have a great time of regeneration in the Beloved.

Thanks for listening.

- *Graham*

<i>Prophetic Word</i>	<i>Notes</i>
<p>“Beloved, I am training you to live from where I live in you!</p> <p>You must settle the question of ownership in your life.</p> <p>It is vital to confess that you belong to the Creator, the Redeemer, and the Helper/Comforter.</p> <p>Together, We are your Spirit of Truth.</p>	

We are the wisdom and revelation that guides you and empowers your life in every situation.

We are the Rock on which you stand. We are the Fortress, the High Tower that you can run into, be safe and also learn to become powerful.

Your eye must become single, with a focus on Us that creates expectation for your circumstances.

You need to see, agree, and trust that we are Unchanging in your life.

Therefore, you immediately banish fear, stress, anxiety and the struggle that so easily wraps itself around your heart and mind.

All the old has passed away. Everything has become new.

When you consider yourself to be dead to sin, your capacity to engage with Me fully will make your life astonishing.

I love the Son in you therefore I love you.

You are included, involved, and engaged with Us in all things pertaining to life and godliness.

Jesus in you, loves Me. That is why everything in you is a gift given to Jesus in you.

This is your expectation. That you can receive, in Jesus, everything that is now yours as the Beloved.

The Beloved Son in you empowers you to become the Beloved.

I delight in loving Jesus in you, therefore I delight in you as you practice newness of life.

You will make mistakes as you are learning but they are already covered in the blood of sacrifice.

You are one with the Three. Anything less than that is a lie.

All the time spent building a life on the sand means you are living in deception and hopelessness.

Legalism creates a focus on behavior that makes you responsible for the power that you need, to change your old life.

This is futile and self defeating.

My Beloved Son did all the work necessary for your freedom by dying in your place.

He did not just die for you. He died as you to ensure once and for all that you are fully and totally redeemed.

There is nothing you can do to change the old man into someone better.

The old is dead and can never be renewed. It is gone and can never be your focus for life.

You must stop exhuming this corpse and carrying it around with you.

We only focus on the New, True, Real you in Jesus. All your change begins with the acceptance that you are now a new creation.

Christ in you, guarantees that you will be loved always and in everything.

Love conquers all things, even the messy areas of life.

My passion for Jesus includes you! This is why I placed Him in you and put you into Him.

I rejoice that you are in Our safe place as you practice being and becoming the beloved.

Start your day as the Beloved. Live as the Beloved all day, today!

End your day as the Beloved.

EVERYDAY, OUR DELIGHT IN JESUS IN YOU...IS OUR GIFT TO YOU. IN OUR HEARTS THEREFORE, YOU ARE THE BELOVED.

This truth is meant to astonish you!

Amen, thank You, Lord!!
