Prophetic Word from “God is Our Safeguard and Security”

You can always claim your right to relationship because Jesus purchased that right on the Cross.

This is the nature of unconditional love between Father, Son and Holy Spirit. First Love prevents you from being lost to the Father. It is your safety-net.

This is a crafted prophetic word about Father’s perspective regarding your identity in Jesus as the Beloved.

<i>Prophetic Word</i>	<i>Notes</i>
<p>“My Dear Heart, your place in My affection is guaranteed by the presence of My beloved Son living in your inner man by the Spirit.</p> <p>We are all at work in you, creating a new and powerful lifestyle that is in tune with Our nature.</p> <p>It is our pleasure and joy to make you like Us and in Our image.</p> <p>Every circumstance of your life is a training ground in building fellowship</p>	

with you by using everything that comes against you.

We love standing with you regardless of how well you are doing or even if you are not doing well at all!

You are our workmanship in Jesus. We are creating an environment in your life where you can learn to become overwhelmed by love, and overjoyed by Our affection.

It is time for you to rise up from the shame and blame culture of religion.

Come to Me and occupy your rightful place of freedom in the newness of the Spirit.

When you rest in My affection, what can you imagine about My love for you?

Allow My Spirit to stir up your heart to see yourself as I see you. I do not see you as a negative.

The old nature died on the Cross.

The new, true you rose with My beloved Son into newness of life.

Newness is Our passion for you! We see you in the Beloved. You are fully accepted in Jesus.

Shame, blame and condemnation is caused by a religious spirit that seeks to handcuff and blindfold you to the old nature.

In freedom We choose for you to be bound together with Us!

You have a threefold cord of Our presence that binds you to Our love.

Our relationship with you is a settled issue. Our pleasure in fellowship with you can never be underestimated.

Beloved, I want you to be influenced by Our passion for you!

I intend to bestow all that you need as We walk together in fellowship.

My intentions always become your permissions. They call you into a place of rest in Our acceptance of you in Jesus.

We are training you to live as the Beloved. We love your life situations.

Do not be afraid of your life difficulties. We do not create them nor send them to you.

We will however, always take advantage of them for your sake, to do you good.

In them We are creating you in Our image, so that you can learn to see, trust, think, speak and act...just as We would.

My life in you will not allow you to live a reduced lifestyle.

I am your confidence...to teach you to trust in My heart for you.

I am training you to stay true to the real you. Live in harmony with My delight in you.

Stay in fellowship and learn to partner with Me in rest. We have never asked you to do everything yourself.

We want you to accept the yoke of fellowship so that you can feel the power of our relationship with you!

Focus from the old man of the flesh can only produce a tortured lifestyle.

The strain and stress of trying to do everything outside of fellowship takes you away from the trust and favor of Our presence.

There are many levels of blessing and inheritance that you must receive from Us.

They can only come to you in fellowship with Our love for you! They are linked to your response to Our affection and fellowship.

Walk with Me, says the Creator, and I will cause you to rise up into this place of constant, and continuous joy as My Beloved.

My presence will always be as strong and deep as you want it to be. I am always ready to bless you. My heart is always fully towards you.

What are you waiting for? I AM already here!"

Amen
