- ❑ Listen with your heart first.
- ❑ Allow yourself to be overwhelmed by God's passion and desire for you.
- ❑ All the scriptures are open doors for you to enter into the rooms that God is building in His house for you. Take time to enter that space with Him and make it your own.
- ❑ Remember that growth is the factor, not time. There are lots of places to stop and embrace God's presence as you partner with the Truth that sets you free!
- ❑ Write down what is the overview of God's desire for you.

- ❑ If the Father and Jesus are responsible for the relationship with you...what does that mean for your freedom?

When you can articulate that...express it also as a delight in who God is for you.

What is your safeguard in their First Love for you?

What affection will grow in you as a result of absolute love?

- ❑ The Holy Spirit and you are partnered together to work inside First Love so that you can grow up into Christ in all things.

The Spirit of Truth will disclose to you all that you need to experience in First Love.

Make a journal of truth, revelation, promises, assurances and blessings that you are experiencing.

- ❑ Keep a journal of the affection and delight that is touching your heart as you come to Him in rest.

- ❑ Write down things that delight you and cause excitement in your heart.

Turn them into a small psalm of rejoicing that you can read to the Lord as you rejoice and give thanks.

- ❑ Crafted Prayers:

Record what you feel towards God as you pray the enclosed prayer.

What does it release in you?

What prayers can you begin to write and pray as you are learning?

- ❑ The Holy Spirit will want to use your devotional times to empower you in your life situations. This is where devotions stop being theoretical and instead become the center of your life exchange with God.

What is the security that you are encountering within the partnership with the Holy Spirit using life events to experience blessing and favor? Keep a record as you grow in confidence.

Literally, you are learning the Ways of God. The Truth of how His presence works and the Life that He is creating in you that overcomes the world around you.

- ❑ In each life situation, start to detail what you are learning and becoming in the Way, and the Truth...and know that is changing your life.
