Praying With God

DAY 1: *Crafted Prayer - Isaiah 41*

Note: Graham has stood on this prayer for almost 50 years. Based on Isaiah 41:8-14, this prayer is filled with truth and has helped Graham overcome during times of adversity in his life.

Message

Dear Father,

*Thank You for choosing me as your Jacob.
Thank you for changing me to Israel. I bless
the day You chose me in Your Son.*

*I worship You for the lack of fear You are
promoting in my life. Truly, no one loves me
as You do. I confess that You are with me
and in Your presence there is no fear... only
Your great love for me.*

*I bless You that You have pulled the plug on
my anxiety and my fears are draining
away...Your presence strengthens me as the
promise of Your help fills my senses.*

Notes

You will help me! You will help me!! You will help me!!!

You will uphold me with Your own righteous hand and tender heart. Your loving kindness is eternal. Your love is everlasting.

In Your great heart, You will purify me. Your holiness is a gift to my inability to change. Because of You... Jacob is diminishing and Israel is forming.

You, and only You, are my Redeemer. I accept Your help in all things. Today, while it is still called today, I rest in Your unchanging love. The strength of Your compassion for me upholds me in Your peace.

You will complete that which You have begun in me. I have no doubt about that. I am confident in Your great love... great God.

Amen.
