

MARCH CHALLENGE

## *The Missing Key that Changes Everything*

### DAY 1: *Activation Assignment*

Take some quiet time with the Lord to go back over the prophetic word from the end of Graham's clip.

Let His words wash over your heart, because those are the most important words. **Let them soak in until His reality becomes yours...** because this is what He sees when He looks at you.

Consider highlighting a handful of main points that really stand out to you, that connect with your spirit.

*"Beloved, I love you and I know everything about you. I saw you before you were born and it made Me happy to know you were coming into this world. I rejoiced and sang over you on that day, and I am rejoicing and singing over you still.*

*"You have My fullest attention. All the intention of My heart is joyfully lavished on you. I have a huge heart of affection toward you. My love never ceases and never fails where you are concerned.*

*"I completely understand every struggle that you have and every weakness that you fear about yourself. In My great love for you, I have set aside a place in My Beloved for you to enjoy... to be at peace... and to know My fullest affection.*

*"Rest in My love. Feel the warmth of My smile. I love you as I love Jesus. You are in Him and He is in you. Therefore, you are the Beloved.*

*“Be of good cheer. When I see you, I am glad. Meet us on this ground of Our affection for you...and you will be surprised at the ease in which the shackles of the past fall away. Take a deep breath... relax.*

*“Let the tension of performance leave your soul and your body. All you are learning is how to abide in, explore and discover all that I AM for you.*

*You are in Christ. Relax, and let your heart be filled with joy and gladness. You belong here. You are the Beloved.”*

### **Key Questions:**

Prayerfully consider the following questions and ask the Holy Spirit to help you write out your response to each of them. The goal is to identify areas He wants to engage with you, so you can focus on them and be aware of where He’s working in you right now.

1. What aspects of the old do you need to let go of to only focus on the freedom of being His beloved?
2. Do you feel secure and restful when you’re learning something new, especially if it may be challenging or take a while for you to get? How might relational learning help you in this?
3. Are you typically anchored in *your* ability to lead and learn, or in *His* ability to lead and guide you?
4. What is changing in how you see God?

5. What is changing in how you are seeing yourself?
