

June 2022 WOMEN'S EVENT:

Discover Your Power in God

DAY 1: Crafted Prayer

Dear Father,

You are so incomprehensibly good to me.
You truly have made provision for my every need. Yes, every need.

Thank you for ALWAYS giving me ALL of you ... ALL the time .
No matter what. No matter why. No matter where.

Thank you that you love me the same on my worst days as you do on my best.
There is nothing, and no one that can ever separate me from your love. Ever!

You love me because you love me. Because this is who you are, and who you will
continue to be for me all the days of my life.

Thank you, that you have provided a secret place that I get to rest in the presence
of your great love that empowers me in ALL situations.

Amen
